

Green Nation Naturals Inc. (GNN) is mandated to follow the rules and regulations from both the Federal and Provincial bodies governing Cannabis, ensuring the implementation of policy, procedures, and practices to keep the business, staff, and our customers safe.

GNN has been following the COVID-19 concerns since early January 2020 and we have been working on and planning with taking precautions to assist with combating the virus once it reached our Canadian borders. We have taken it upon ourselves to do the following to adhere to the COVID-19 Protocols in store:

- We have reduced our hours to the following: Mon-Sat 11am-9pm. Sun 11am-6pm.
- Signage has been placed at the front entrance to notify customers of our new practices.
- Implementation of Social Distancing; 2 meter / 6 feet away from the door
- One customer at a time in the customer area
- Availability of hand sanitizer and tissue in the customer area
- Staff equipped with masks and gloves
- Staff instructed to practice regular hand washing with and without gloves on
- Installed Plexi glass between customer and staff
- Increased cleaning and disinfecting practices; Morning and Evening and throughout the day
- Placed plastic over the pin pad encouraging tap
- Professional sanitization of the building

Green Nation Naturals would like to offer reassurance during these difficult and challenging times through our shared and continued compliance of a diligent practice, respecting the safety and security of not only our staff but to you, our valued customer. We look forward to seeing you. Stay safe.

Tina Northwest, President  
**Green Nation Naturals**
